The Guidance Center  
of Westchester

2018  
Annual Report

THE GUIDANCE CENTER OF WESTCHESTER OFFERS ESSENTIAL AND LASTING SUPPORT TO THOSE IN OUR COMMUNITIES CHALLENGED BY **MENTAL ILLNESS, SUBSTANCE ABUSE, POVERTY, AND HOMELESSNESS.**

We empower our participants to become active members of their community through **EDUCATION, TREATMENT, HOUSING, REHABILITATIVE,** and **VOCATIONAL** services.

The mission of The Guidance Center of Westchester is to improve the well-being of people of all ages through innovative and effective programs that enable everyone to **LEARN, WORK,** and **THRIVE.**

## 2018 HIGHLIGHTS

- Our Personalized Recovery-Oriented Services (PROS) program received the SAMHSA Recognition of Excellence for our *Seeding to Eating: Healthy Living Through Gardening* course. It was one of four programs selected nationwide.
- We launched our Assertive Community Treatment (ACT) team, providing community-based treatment and psychosocial rehabilitation to adults who have serious mental illness and whose needs have not been met by facility-based providers.
- Our Foundations in Feelings program received funding from The Thomas & Agnes Carvel Foundation for the third consecutive year.
- We opened two satellite mental health clinics in Yonkers: one at the probation department and one at Paideia School 15.
- In May at our annual Gala, we honored Lori Hall Armstrong, Stanley M. Bergman and HENRY SCHEIN INC., Frank Hariton, and Fredi Vicario. The event raised more than \$450,000 for TGCW!
- Our Sunrise program implemented *Milestones* as a way to help participants track their progress toward recovery and to aid in successful discharge.
- We received a five-year Core Rehabilitation Services (CRS) contract from the NYS Education Department ACCES-VR (Adult Career and Continuing Education Services-Vocational Rehabilitation) to provide a full range of employment services to those with a mental health, substance abuse or long-term disability.
- NBC's Stefan Holt acted as emcee for our Back-to-School Bash in October. We honored Heriberto Contreras, Hon. Catherine F. Parker, and Kenneth Plummer. The event raised more than \$34,000 for our Center for College & Careers.

- Our Creative Learning Center entered a partnership with WestCOP to offer Babies Step Forward, a program providing quality enrichment and financial support for eligible families.

## 5,546 TOTAL PROGRAM PARTICIPANTS

\* For this annual report, Rehabilitative Services includes: Assertive Community Treatment (ACT) • Personalized Recovery-Oriented Services (PROS) • Health Home Care Management • Home & Community-based Services

“At TGCW, I’ve learned how to manage my medication and my emotions. I can identify my triggers and how to cope with them. I have a job and with TGCW’s help, I’m able to keep working.”

**“I was skipping school, failing classes, and using drugs. At my group I started to understand why I was using drugs. I can go back to school.”**

“TGCW helped me get (vocational) testing so I could start on a new career path despite my history with substance abuse and incarceration. TGCW gave me the chance to start over.”

---

“TGCW helped me secure scholarship money for college. I was able to stop working two part-time jobs and concentrate on my education.”

---

“ (Due to substance abuse) I lost two marriages, lost a house, lost a business. I thought I just couldn’t face a day sober... (TGCW) gave me a chance to concentrate on my mental health, on my sobriety, on my physical issues...to make ties with the community, to make amends with my family and friends, and to make plans for the future. I’m very proud that I am sober. I’ve never been happier in my life.”

“ I started using heroin at 18 and bounced between oxy and heroin for years. METRO helped stabilize me...I’ve gotten married, and I have a job.”

“Because of my schizophrenia, I had a history of being hospitalized. The ACT Team helped me stay on my medication and understand my mental health needs. I’m no longer homeless.”

**“Our Seeding to Eating participants care deeply about our garden, each other, and TGCW.”**

“I want to give thanks to the PROS program for getting my life back together. I’m glad I’ve got some type of support that I can come to every day and participate in my own recovery.”

“When our daughter started at the Creative Learning Center, she had very limited speech. With the help of the teachers and therapists, she is headed to kindergarten without any therapies in place.”

**“Working with my TGCW counselor, I no longer hurt myself and don’t have panic attacks. I’m even able to interact with other students at school.”**

“Because of the help at the Center for College & Careers, I passed my HSE and have enjoyed various work opportunities. TGCW opened me to a new future.”
