JOB DESCRIPTION:

The Guidance Center of Westchester Mental Health Programs is seeking an outgoing, organized and experienced bilingual clinician (fluent in Spanish) to join our multidisciplinary team in the provision of comprehensive mental health services to adolescents in one of our school based mental health clinic satellites. This position is responsible for maintaining a productivity target of 30 contacts per week through individual, family and group psychotherapy during the school year. Direct clinical experience as well as understanding of substance use and addiction recovery is a plus. The position follows the school calendar, with all school holidays and closures included as paid time off, and only 1 work day per week for case coverage during the summer. Individual and group clinical supervision will be provided. Supervision for LCSW and LCSW-R available.
