VOCATIONAL SERVICES

**START
TODAY!**

Our vocational services provide training, educational support, and job coaching to help people who have mental health and substance use disorders gain employment.

With our support, participants prepare for and secure job interviews, access community resources, complete and file applications for technical schools and post-secondary education, and develop an attainable plan for employment or continuing education.

- Supported employment
- Job search and job placement
- Resume writing and interview skills
- Job coaching
- Work experience internships
- Vocational assessment
- Education and career planning
- Job retention support
- Benefits and workplace accommodations counseling
- Pre-employment services for students and young adults
- Career planning

Core Rehabilitation Services

(CRS) through NYS ACCES VR offers many career and employment services for adults and young adults with mental health, learning, and substance use disorders who live in Westchester, the Bronx, and Manhattan. These include supported employment, job placement, and work experience development.

We can assist with the ACCES VR application process.
